INDEX TO VOLUME 24

PAGE

Allergic or hypersensitive condition, a review of 2 years' progress; A. R. Cunningham..... 247

Anemia, amount of blood to be transfused in anemia of children (blood dosage); T. Halbertsma..... 270

Asthma, classification and management of asthma; importance of rabbit hair as a cause in New York City; N. P. Larsen and S. D. Bell..... 441
critical study of 61 cases of asthma and eczema controlled by cutaneous protein sensitization tests; H. Herman..... 221
rabbit hair asthma in children; B. Ratner..... 346

Bakwin, H.: Dehydration in new-borns..... 497
and Goss, C.: Dehydration fever in new-borns..... 508

Bell, H. H., and Cooke, J. V.: Incidence of meningitis in early infancy, with a description of 2 cases due to unusual organisms..... 387

Bell, S. D., and Larsen, N. P.: Classification and management of asthma in childhood, importance of rabbit hair as a cause in New York City 441

Bernstein, M. A., and Tumpeer, I. H.: Experimental pyloric stenosis..... 306

Blood, amount of blood to be transfused in anemia of children (blood dosage); T. Halbertsma..... 270

Book Reviews:
Hautkrankheiten und Syphilis im Sauglings und Kindesalter; H. Finkelstein, E. Galewsky and L. Halberstaedter..... 178
Individual Gymnastics; L. C. Drew..... 450

Brown, A., Courtney, A. M., and MacLachlan, I. F.: A clinical and chemical study of butter soup feeding in infants..... 368

Butter soup feeding in infants; A. Brown, A. M. Courtney and I. F. MacLachlan..... 368

Calcium and phosphorus concentration in serum of infants with mild rickets or a condition simulating mild rickets; F. F. Tisdall..... 382

Carbohydrate requirement of children; L. E. Holt and H. L. Fales..... 44

Casparis, H., Howland, J., and Kramer, B.: Ultraviolet radiation in rickets; effect on calcium and inorganic phosphorus concentration of serum..... 20

Chloroma, myeloid; O. W. Rowe and F. J. Hirschboeck..... 239

Clopton, M. B., Mills, R. W., and Veeder, B. S.: Gastric motility after pyloric obstruction in infancy..... 404

Cohen, S. A.: Oral disorders in pediatrics..... 160
and Howell, W. W.: Intraventricular and subdural serum treatment of meningococcus meningitis in infancy..... 427

Cooke, J. V., and Bell, H. H.: Incidence of meningitis in early infancy, with a description of 2 cases due to unusual organisms..... 387

Courtney, A. M., MacLachlan, I. F., and Brown, A.: A clinical and chemical study of butter soup feeding in infants..... 368

Cowie, D. M.: Horse serum (foreign protein) treatment of pyelitis and pyuria..... 179

Cunningham, A. R.: Allergic or hypersensitive condition, a review of 2 years' progress..... 247

Cutaneous protein sensitization test, critical study of 61 cases of asthma and eczema controlled by; H. Herman..... 221

PAGE

Dalrymple, A. J., and others: Basal metabolism of prematurity; relation of basal metabolism to caloric intake and weight curve 95

Davis, C. M.: Diaphragmatic hernia in a new-born, report of a case 356

Davison, W. C.: Failure of yeast therapy in feeding of infants 339

DeBuys, L. R., and Samuel, E. C.: A study of shadows in thorax of newly-born 397

Dehydration fever in new-borns; H. Bakwin and C. Goss 508
in new-borns; H. Bakwin 497

Denzer, B. S.: Congenital duodenal obstruction: malrotation of intestine, report of case 534

Diaphragm, congenital deficiency of diaphragm; J. S. Latta 297

Dietetics, applied dietetics in outpatient departments; M. Ladd 211

Dodge, C. T. J., and Gerstenberger, H. J.: Use of radiant heat—light—in treatment of otitis media 320

Duodenal obstruction, congenital; malrotation of intestine, report of case; B. S. Denzer 534

Dyskeratosis diffusa congenita; C. de Lange and J. C. Schippers 186

Eczema, critical study of 61 cases of asthma and eczema controlled by cutaneous protein sensitization tests; H. Herman 221

Eruption, a new eruptive fever associated with stomatitis and ophthalmia, report of 2 cases in children; A. M. Stevens and F. C. Johnson 526

d'Espine's and allied signs in childhood; J. L. Morse 361

Eustis, R. S., and Munro, D.: Diagnosis and treatment of intracranial hemorrhage in new-born, a report of 14 treated cases 273

Faber, H. K.: Food requirements in new-born infants, a study of spontaneous intake 56

Fales, H. L., and Holt, L. E.: Food requirements of children; carbohydrate requirement 44
Food requirements of children; percentage distribution of calories 311

Food, neuropathic manifestations in infants and children as a result of anaphylactic reaction to foods contained in their dietary; W. R. Shannon 89
requirements in new-born infants, a study of spontaneous intake; H. K. Faber 56
requirements of children; carbohydrate requirement; L. E. Holt and H. L. Fales 44
requirements of children; percentage distribution of calories; L. E. Holt and H. L. Fales 311

Gastric motility after pyloric obstruction in infancy; B. S. Veeder, M. B. Clopton and R. W. Mills 404

Gerstenberger, H. J., and Dodge, C. T. J.: Use of radiant heat—light—in treatment of otitis media 320

Goss, C., and Bakwin, H.: Dehydration fever in new-borns 508

Greene, C. H.: Bilateral hypoplastic cystic kidneys, report of a case simulating chronic diffuse nephritis in a girl 3 years of age 1

Greenthal, R. M.: Incidence of thymic enlargement without symptoms in infants and children 433

Halbertsma, T.: Amount of blood to be transfused in anemia of children (blood dosage) 270

Heiman, H.: Indications for tonsillectomy in infancy and childhood; is modern tendency toward universal tonsillectomy justified? 204

PAGE

Hemorrhage, diagnosis and treatment of intracranial hemorrhage in new-born, a report of 14 treated cases; D. Munro and R. S. Eustis..... 273

Herman, H.: A critical study of 61 cases of asthma and eczema in infancy and childhood controlled by cutaneous protein sensitization tests 221

Hernia, diaphragmatic hernia in a new-born, report of a case; C. M. Davis 356

Hess, A. F., and Unger, L. J.: Infantile rickets: significance of clinical, radiographic and chemical examinations in its diagnosis and incidence 327

Hirschboeck, F. J., and Rowe, O. W.: A case of myeloid chloroma..... 239

Holt, L. E., and Fales, H. L.: Food requirements of children; carbohydrate requirement 44

Food requirements of children; percentage distribution of calories..... 311

Howell, W. W., and Cohen, S. A.: Intraventricular and subdural serum treatment of meningococcus meningitis in infancy..... 427

Howland, J., Kramer, B., and Casparis, H.: Ultraviolet radiation in rickets; effect on calcium and inorganic phosphorus concentration of serum.. 20

Infant feeding, clinical and chemical study of butter soup feeding in infants; A. Brown, A. M. Courtney and I. F. MacLachlan..... 368

feeding, rate of secretion of breast milk; C. H. Smith and K. K. Merritt 413

new-born, dehydration in; H. Bakwin..... 497

new-born, dehydration fever in; H. Bakwin and C. Goss..... 508

premature, basal metabolism of prematurity; relation of basal metabolism to caloric intake and weight curve; F. B. Talbot, W. R. Sisson, M. E. Moriarty and A. J. Dalrymple..... 95

Influenzal meningitis; T. M. Rivers..... 102

Intestine, congenital duodenal obstruction: malrotation of intestine, report of case; B. S. Denzer..... 534

Intracranial hemorrhage in new-born, diagnosis and treatment of; D. Munro and R. S. Eustis..... 273

Jeidell, H., and McLean, S.: Data in 3,742 Pirquet tests..... 73

Johnson, F. C., and Stevens, A. M.: New eruptive fever associated with stomatitis and ophthalmia, report of 2 cases in children..... 526

Kidney, bilateral hypoplastic cystic kidneys, report of case simulating chronic diffuse nephritis; C. H. Greene..... 1

Kohn, J. L., and Schwarz, H.: Studies of nephritis in children; nephrosis 125

Kramer, B., Casparis, H., and Howland, J.: Ultraviolet radiation in rickets; effect on calcium and inorganic phosphorus concentration of serum.. 20

Ladd, M.: Applied dietetics in outpatient departments..... 211

de Lange, C., and Schippers, J. C.: Dyskeratosis diffusa congenita..... 186

Larsen, N. P., and Bell, S. D.: Classification and management of asthma in childhood, importance of rabbit hair as a cause in New York City 441

Latta, J. S.: Congenital deficiency of diaphragm..... 297

Lemere, H. B.: Treatment of accessory nasal sinus disease in children.... 520

Liss, I. E.: Thymic shadow in infants..... 192

MacLachlan, I. F., Brown, A., and Courtney, A. M.: A clinical and chemical study of butter soup feeding in infants..... 368

McLean, S., and Jeidell, H.: Data in 3,742 Pirquet tests..... 73

PAGE

Meningitis, incidence of meningitis in early infancy, with a description of 2 cases due to unusual organisms; J. V. Cooke and H. H. Bell..... 387
influenzal; T. M. Rivers..... 102
intraventricular and subdural serum treatment of meningococcus meningitis; W. W. Howell and S. A. Cohen..... 427

Merritt, K. K., and Smith, C. H.: Rate of secretion of breast milk..... 413

Metabolism, basal, of prematurity; relation of basal metabolism to caloric intake and weight curve; F. B. Talbot, W. R. Sisson, M. E. Moriarty and A. J. Dalrymple..... 95

Milk, inorganic phosphate content of breast milk of mothers with normal and with rachitic infants; L. von Meysenbug..... 200
rate of secretion of breast milk; C. H. Smith and K. K. Merritt..... 413

Mills, R. W., Veeder, B. S., and Clopton, M. B.: Gastric motility after pyloric obstruction in infancy..... 404

Moriarty, M. E., and others: Basal metabolism of prematurity; relation of basal metabolism to caloric intake and weight curve..... 95

Morse, J. L.: d'Espine's and allied signs in childhood..... 361

Mouth, oral disorders in pediatrics; S. A. Cohen..... 160

Munro, D., and Eustis, R. S.: Diagnosis and treatment of intracranial hemorrage in new-born, a report of 14 treated cases..... 273

Myeloid chloroma; O. W. Rowe and F. J. Hirschboeck..... 239

Nephritis in children; nephrosis; H. Schwarz and J. L. Kohn..... 125

Neuropathic manifestations in infants and children as a result of anaphylactic reaction to foods contained in their dietary; W. R. Shannon..... 89

Nose, accessory nasal sinus disease in children, treatment of; H. B. Lemere 520

Ophthalmia, a new eruptive fever associated with stomatitis and ophthalmia; A. M. Stevens and F. C. Johnson..... 526

Otitis media, use of radiant heat—light—in treatment of; H. J. Gerstenberger and C. T. J. Dodge..... 320

Phosphorus and calcium concentration in serum of infants with mild rickets or a condition simulating mild rickets; F. F. Tisdall..... 382

Pirquet test, data in 3,742 tests; S. McLean and H. Jeidell..... 73

Prematurity: See Infant, premature

Protein sensitization test, critical study of 61 cases of asthma and eczema controlled by; H. Herman..... 221

Protein therapy, horse serum (foreign protein) treatment of pyelitis and pyuria; D. M. Cowie..... 179

Pyelitis, horse serum (foreign protein) treatment of pyelitis and pyuria; D. M. Cowie..... 179

Pyloric obstruction in infancy; gastric motility after; B. S. Veeder, M. B. Clopton and R. W. Mills..... 404
stenosis, experimental; I. H. Tumpeer and M. A. Bernstein..... 306

Pyuria, horse serum (foreign protein) treatment of pyelitis and pyuria; D. M. Cowie..... 179

Rachitis, calcium and phosphorus concentration in serum of infants with mild rickets or a condition simulating mild rickets; F. F. Tisdall.... 382
infantile rickets: significance of clinical, radiographic and chemical examinations in its diagnosis and incidence; A. F. Hess and L. J. Unger..... 327
inorganic phosphate content of breast milk of mothers with normal and with rachitic infants; L. von Meysenbug..... 200
ultraviolet radiation in rickets; effect on calcium and inorganic phosphorus concentration of serum; B. Kramer, H. Casparis and J. Howland..... 20

Ramsey, W. R.: Acute infections of urinary tract in infants and children subsiding without appearance of pus in urine 218

Ratner, B.: Rabbit hair asthma in children 346

Rivers, T. M.: Influenzal meningitis 102

Rowe, O. W., and Hirschboeck, F. J.: A case of myeloid chloroma 239

Samuel, E. C., and DeBuys, L. R.: A study of shadows in thorax of newly-born 397

Schippers, J. C., and de Lange, C.: Dyskeratosis diffusa congenita 186

Schwarz, H., and Kohn, J. L.: Studies of nephritis in children; nephrosis .. 125

Shannon, W. R.: Neuropathic manifestations in infants and children as a result of anaphylactic reaction to foods contained in their dietary ... 89

Sheets, O. B., and Stewart, C. A.: Vital capacity of lungs of children, preliminary report 83

Sisson, W. R., and others: Basal metabolism of prematurity; relation of basal metabolism to caloric intake and weight curve 95

Smith, C. H., and Merritt, K. K.: Rate of secretion of breast milk 413

Smith, L. H.: An epidemic of streptococcus hemolyticus septicemia 171

Stevens, A. M., and Johnson, F. C.: New eruptive fever associated with stomatitis and ophthalmia, report of 2 cases in children 526

Stewart, C. A.: Vital capacity of lungs of children in health and disease ... 451
and Sheets, O. B.: Vital capacity of lungs of children, preliminary report 83

Stomatitis, a new eruptive fever associated with stomatitis and ophthalmia, report of 2 cases in children; A. M. Stevens and F. C. Johnson 526

Streptococcus hemolyticus septicemia, epidemic of; L. H. Smith 171

Talbot, F. B., and others: Basal metabolism of prematurity; relation of basal metabolism to caloric intake and weight curve 95

Teeth, oral disorders in pediatrics; S. A. Cohen 160

Thorax, study of shadows in thorax of newly-born; L. R. DeBuys and E. C. Samuel 397

Thymus apoplexy, an unusual manifestation of hemorrhagic disease of newly-born; H. R. Wahl and D. Walthall 27
incidence of thymic enlargement without symptoms in infants and children; R. M. Greenthal 433
shadows in thorax of newly-born; L. R. DeBuys and E. C. Samuel 397
thymic shadow in infants; I. E. Liss 192

Tisdall, F. F.: Calcium and phosphorus concentration in serum of infants with mild rickets or a condition simulating mild rickets 382

Tonsillectomy, indications for; is modern tendency toward universal tonsillectomy justified? H. Heiman 204

Tuberculosis, data in 3,742 Pirquet tests; S. McLean and H. Jeidell 73

Tumpeer, I. H., and Bernstein, M. A.: Experimental pyloric stenosis 306

Ultraviolet radiation in rickets; effect on calcium and inorganic phosphorus concentration of serum; B. Kramer, H. Casparis and J. Howland 20

Unger, L. J., and Hess, A. F.: Infantile rickets: significance of clinical, radiographic and chemical examinations in its diagnosis and incidence 327

Urinary tract, acute infections of, in infants and children subsiding without appearance of pus in urine; W. R. Ramsey 218
